

Life Giving Weekend June 3rd & 4th

Thank you, church, for your response and prayers for Life Giving Weekend! This will be a time where our church devotes a full weekend to serving the needs in Nevada by landscaping, painting, cleaning, constructing, and much more. We want to serve and love our community so their physical and spiritual needs can be met as the Bible instructs us in James 2. We are a little over a month away, and we are excited to move forward with meeting these needs. The next stage is to get volunteers for the projects. We have a table in the lobby where you can sign up for a number of different positions. There are tasks for all ages, including kids and seniors, and all abilities, from light duty to skilled work. We need your help on June 3rd-4th, so please get involved in what Jesus has called all of us to do for our neighbors here in Nevada. Whether you are new to the church or have been coming for many years, we have a place for you. Any questions can be answered at the table by Kyle or Kari Newton or you can email us at lifegiv-ingwknd@gmail.com.

There will no worship services at the regular times or locations on June 4th during Life Giving Weekend. Services will be held at the sites where we will be serving the community that day.

Stop by the table to sign up today!!!!

A "Little Pantry Update" by Jeanette Hawkins

A "Little Pantry Update" for our friends and neighbors from FBC Kids.

Have you wondered what the colorful little box is at the end of our driveway? Well, that's a Blessing Box!!

Great news!! As we've been checking on our little pantry each day, we are encouraged to see items being used and new items being contributed by church members and neighbors. Thank you for helping us keep the pantry stock moving. We encourage everyone to take what you need and leave what you can. We will keep you updated on what items seem to be popular. For now, easy (individually wrapped) snacks and juice boxes are moving quickly... as well as dinner fixin's such as mac 'n cheese and canned meats.

Other ways you can help... (1) Pray that our pantry will be a blessing to our neighbors. (2) Contribute financially for us to purchase needed items. (3) Drop Food items into the yellow buckets outside the church office and kids wing. (4) Check on the pantry, tidy up the shelves and rotate items. This is your pantry! Leave what you can and take what you need!

The Caring People

The Caring People ministry for single moms is planning on providing weekly or bi-weekly meetings for single moms in our community and surrounding areas. Our second meeting is tomorrow night, May 15th 6:00 - 7:30 pm. Then the next meetings will be May 22nd. These meetings will bless our moms and their children and provide an open door for us as volunteers to bond with them and be more capable of meeting their needs and sharing Jesus with them. We will be providing a meal to the moms and their children at each of the meetings. We could use your help! We need prayer warriors, for the ministry and the moms and their children. There are many single parents we hope to reach. The second thing we need is volunteers to help provide the meals. If you are a person that can lead up a meal team and get volunteers to donate dishes that would be great! Maybe our Sunday School classes would like to take turns organizing a meal and serving it once a month. The third thing we need is child care providers for the children while the moms attend the meetings. If you can help in any of these areas we would love to have you as part of this ministry. Please pray about this and if you have any questions call Marla Leeper @ 830-834-0437.
